

Full Time

Engineering

**CELUTEC** - Development of bacterial cellulose matrices for biomedical applications  
**Departments:** Chemical Engineering (P)  
**Researchers:** Andrea Lima dos Santos Schneider (C), Giannini Apati, Michele Formolo Garcia and Ana Paula Testa Pezzin  
**Start:** 03/01/17  
**End:** 02/28/20

Engineering

**BIOTEC** - Production of microbial metabolites of interest in health and the environment  
**Departments:** Graduate Program in Health and Environment, Pharmacy, Chemical Engineering, Environmental and Sanitary Engineering and Biological Sciences  
**Researchers:** Regina Maria Miranda Gern (C), Sandra Aparecida Furlan, Elisabeth Wisbeck, Andrea Lima dos Santos Schneider and Ozair Souza  
**Start:** 03/01/17  
**End:** 02/28/21

Engineering

**BIOWASTE** - Biotreatment of agricultural and industrial waste in order to obtain products of commercial interest  
**Departments:** Master in Process Engineer - MEP and Chemical Engineering  
**Researchers:** Ozair Souza (C), Elisabeth Wisbeck, Andréa Lima dos Santos Schneider, Noeli Sellin and Regina Maria Miranda Gern  
**Start:** 03/01/17  
**End:** 02/28/21

Human Sciences

**EDUSENPE** - Education, experience and sensitivity in educational practices  
**Departments:** Master in Education  
**Researchers:** Sílvia Sell Duarte Pillotto  
**Start:** 03/01/17  
**End:** 02/28/21

Engineering

**INDICAMB2** - Environmental quality indicators, the challenges of environmental health  
**Departments:** Graduate Program in Health and Environment, Biological Sciences and Environmental and Sanitary Engineering  
**Researchers:** Therezinha Maria Novais de Oliveira (C), Bianca Goulart de Oliveira Maia, Wellington Silva Baldo and Eduardo Manoel Pereira  
**Start:** 03/01/17  
**End:** 02/28/21

Linguistics, Arts and Portuguese

**ARCUPA-II** - Art, Culture, Heritage: from production to institutionalization - relations and tensions  
**Departments:** Masters in Cultural Heritage and Society - MPCS, Visual Arts, Architecture and Urbanism and Publicity and Advertising  
**Researchers:** Nadja de Carvalho Lamas  
**Start:** 03/01/17  
**End:** 02/28/21

Biological Sciences

**CONATURA2A** - Conservation of natural resources and environmental quality  
**Departments:** Graduate Program in Health and Environment  
**Researchers:** Marta Jussara Cremer  
**Start:** 03/01/17  
**End:** 02/28/21

Human Sciences

**MEM** - Museums and Memory Spaces: representations, collections and social function  
**Departments:** Master in Cultural Heritage and Society - MPCS and History  
**Researchers:** Sandra Paschoal Leite de Camargo Guedes (C), João Carlos Mello Junior, Dione da Rocha Bandeira, Mariluci Neis Carelli and Taiza Mara Rauen Moraes  
**Start:** 03/01/17  
**End:** 02/28/21

Engineering

**BIOINOVA 2** - Biotechnology and innovation  
**Departments:** Master in Process Engineering - MEP, Chemical Engineering, Environmental and Sanitary Engineering, Pharmacy and Graduate Program in Health and Environment  
**Researchers:** Sandra Aparecida Furlan (C), Elisabeth Wisbeck, Denise Abatti Kasper Silva, Selma Cristina Franco, Marcia Luciane Lange da Silveir, Jamile Rosa Rampinelli, Mariane Bonatti Chaves, Vanessa de Oliveira Collere and Marcelo Leandro de Borba  
**Start:** 03/01/17  
**End:** 02/28/21

Institutional Program in Environmental Sciences

Biological Sciences

**BIOMOT** - Effect of urban environmental conditions on native populations of plants, insects and lichenized fungi  
**Departments:** Biological Sciences (P), Chemical Engineering  
**Researchers:** Mariane Bonatti Chaves (C), Denise Monique Dubet da Silva Mougá, João Carlos Ferreira de Melo Jr., Emerson Luiz Gumboski  
**Start:** 03/01/17  
**End:** 02/28/20

Biological Sciences

**ECOSIS** - Socio-Environmental Analysis of Ecosystem Services in the Hydrographic of Rivers Cubatão and Cachoeira, Joinville (SC)  
**Departments:** Biological Sciences (P)  
**Researchers:** Elzira Maria Bagatin Munhoz (C), Celso Voos Vieira, Sidnei da Silva Dornelles  
**Start:** 03/01/17  
**End:** 02/28/20

Biological Sciences

**EMBRIOMISI** - Effect of polycyclic aromatic hydrocarbons (PAHs), of petroleum on the embryonic development of the marine microcrustacean Mysidopsis juniae, an indicator of environmental quality  
**Departments:** Biological Sciences (P) and Environmental and Sanitary Engineering  
**Researchers:** Gladys Daniela Rogge Renner (C), Therezinha Maria Novais de Oliveira, Gilmar Sidnei Erzinger  
**Start:** 03/01/17  
**End:** 02/28/20

Engineering

**LODOTox** - Toxicological Evaluation of Silt of TDS Treated on Mineralization Site for sustainable use purposes  
**Departments:** Environmental and Sanitary Engineering Chemical Engineering  
**Researchers:** Bianca Goulart de Oliveira Maia (C) and Therezinha Maria Novais de Oliveira  
**Start:** 01/07/17  
**End:** 02/28/20

Biological Sciences

**LAGBENT1** - Benthic communities in a pond on the beach of Forte, São Francisco do Sul, Santa Catarina  
**Departments:** Biological Sciences  
**Researchers:** Kátia Regina Sgrotti Sauer Machado (C) and Luciano Lorenzi  
**Start:** 01/07/17  
**End:** 02/28/20

Biological Sciences

**CUTIAIII** - Environmental and Microclimatic Influences on the Structure and Chemical Composition of the Five-population Plants of Raulinoa Echinata R. S. Cowan  
**Departments:** Biological Sciences  
**Researchers:** Karin Esemann de Quadros (C), Paulo Ivo Koehntopp and Cynthia Hering Rinnert  
**Start:** 03/01/17  
**End:** 02/28/20

Institutional Program in Law

Applied Social Sciences

**BIOJUS1** - The (de) construction of the ideology of justice in an ethical, aesthetic and political perspective  
**Departments:** Law (P)  
**Researchers:** Mariana Datria Schulze (C), Euler Renato Westphal, Luana de Carvalho Silva Gusso  
**Start:** 03/01/17  
**End:** 02/28/20

Applied Social Sciences

**PDHB** - The paradox of Human Rights in Brazil: criminological views on security and violence in the Democratic State of Law  
**Departments:** Law (P)  
**Researchers:** Helena Schiessl Cardoso (C), Luana de Carvalho Silva Gusso, Leandro Gornicki Nunes  
**Start:** 03/01/17  
**End:** 02/28/20

Applied Social Sciences

**POS-JUR** - Theory of Legal Hermeneutics: the Antiformalist Schools and Post-positivism  
**Departments:** Law (P)  
**Researchers:** Nestor Castilho Gomes (C), Frederico Wellington Jorge  
**Start:** 03/01/17  
**End:** 02/28/20

Applied Social Sciences

**DIDHSII** - The responsibility of non-state actors in the process of consolidating Human Rights and International Security  
**Departments:** Law (P)  
**Researchers:** Erika Louise Bastos Calazans (C), Waldemar Moreno Júnior  
**Start:** 03/01/17  
**End:** 02/28/20

Applied Social Sciences

**CLINICAEDH** - Education in Human Rights in Higher Education: the role of legal clinics  
**Departments:** Law (P)  
**Researchers:** Fernanda Brandão Lapa (C), Sirlei de Souza and Claudio Melquades Medeiros  
**Start:** 03/01/17  
**End:** 02/28/20

Applied Social Sciences

**INAEDI** - Legal framework of Brazilian innovation and transnational relations: economic analysis of judicial decisions in relation to international documents  
**Departments:** Law (P)  
**Researchers:** Frederico Wellington Jorge  
**Start:** 03/01/17  
**End:** 02/28/20

Stricto Sensu Institutional Graduate Support Program

Health Sciences

**PREDI6** - Predictors of overweight in mothers and their children born in 2012 in Joinville-SC, Brasil: Clipping of 6 years  
**Departments:** Graduate Program in Health and Environment, Biological Sciences, Nursing, Psychology and Medicine  
**Researchers:** Marco Fabio Mastroeni (C), Silmara Salet de Barros Silva Mastroeni (04/01/2017 to 06/30/2017) Sandra Ana Czarnobay and Paul Veuglers  
**Start:** 03/01/17  
**End:** 02/28/21

Biological Sciences

**BABBENTOS** - Benthic fauna of vegetated and non-vegetated bottoms of aquatic environments of Babitonga Bay and adjacent areas as indicators of environmental quality and human health  
**Departments:** Graduate Program in Health and Environment  
**Researchers:** Luciano Lorenzi  
**Start:** 03/01/17  
**End:** 02/28/21

Engineering

**POLIMODEL2** - Modeling, Simulation and Experimental Studies Applied to Micro and Nanostructured Systems - Part 2  
**Departments:** Master of Science in Process Engineering - MEP, Chemical Engineering and Pharmacy  
**Researchers:** André Lourenço Nogueira (C), Ana Paula Testa Pezzin, Andrea Lima dos Santos Schneider, Denise Abatti Kasper Silva and Gilmar Sidnei Erzinger  
**Start:** 03/01/17  
**End:** 02/28/21

Engineering

**PROSEPAR** - Cleaner production in separation processes aimed to the treatment, recycling and / or reuse of industrial and agricultural waste  
**Departments:** Master of Science in Process - MEP  
**Researchers:** Sandra Helena Westrupp Medeiros  
**Start:** 03/01/17  
**End:** 02/28/21

Human Sciences

**LINTEDIG** - Digital Languages and Technologies in Work and Teacher Training  
**Departments:** Master in Education  
**Researchers:** Marly Krüger de Pesce  
**Start:** 03/01/17  
**End:** 02/28/21

Human Sciences

**EPISTEMO** - Epistemology of the patrimony: between sacredness and secularization  
**Departments:** Master in Cultural Heritage and Society - MPCS  
**Researchers:** Euler Renato Westphal (C), Ilanil Coelho, Raquel Alvarenga Sena Venera  
**Start:** 03/01/17  
**End:** 02/28/21

Human Sciences

**POPRACEDU** - Educational policies and practices in the development of the curriculum of formal and non-formal education  
**Departments:** Master in Education  
**Researchers:** Jane Mery Richter Voigt  
**Start:** 03/01/17  
**End:** 02/28/21

Linguistics, Arts and Portuguese

**DESLISE 1** - Displacements of languages and cultural interfaces  
**Departments:** Master in Cultural Heritage and Society - MPCS  
**Researchers:** Taiza Mara Rauen Moraes  
**Start:** 03/01/17  
**End:** 02/28/21

Health Sciences

**IRAS2** - Health Care Related Infections - Part II  
**Departments:** Graduate Program in Health and Environment  
**Researchers:** Paulo Henrique Condeixa De França (C), Leslie Ecker Ferreira, Marcelo Pilonetto, Glauco Adriano Westphal, Luiz Henrique Melo  
**Start:** 03/01/17  
**End:** 02/28/21

Health Sciences

**EPAVCBAP** - Epidemiology in population-based cerebrovascular diseases  
**Departments:** Graduate Program in Health and Environment  
**Researchers:** Norberto Luiz Cabral  
**Start:** 03/01/17  
**End:** 02/28/21

Health Sciences

**AROUOCOSTA** - Pre-Colonial Coastal Archaeological Heritage - Relations between Material Culture and Environment in Sambauian Societies  
**Departments:** Master in Cultural Heritage and Society - MPCS  
**Researchers:** Dione da Rocha Bandeira (C) Mariluci Neis Carelli, João Carlos Ferreira de Melo Junior, Sandra Paschoal Leite de Camargo Guedes and Roberta de Barros Meira  
**Start:** 03/01/17  
**End:** 02/28/21

Applied Social Sciences

**DIPATRI** - Cultural Heritage Law: perspectives and challenges for its recognition as Human Rights  
**Departments:** Master in Cultural Heritage and Society - MPCS and Law  
**Researchers:** Luana de Carvalho Silva Gusso (C), Ilanil Coelho  
**Start:** 03/01/17  
**End:** 02/28/21

Human Sciences

**PCBIOGRAF** - (Self)Biographical narratives and Cultural Heritage: the identification in the face of the vulnerability of the other  
**Departments:** Master in Cultural Heritage and Society - MPCS  
**Researchers:** Raquel Alvarenga Sena Venera (C), Euler Renato Westphal, Pedro de Souza, Renilson Rosa Ribeiro, José Roberto Severino, Paulo Vaz, Christophe Niewadomski, Carmen Teresa Gabriel  
**Start:** 03/01/17  
**End:** 02/28/21

Human Sciences

**PAISA1** - The landscape as heritage: the chancellery and the uses of a new vision of heritage  
**Departments:** Master in Cultural Heritage and Society - MPCS  
**Researchers:** Mariluci Neis Carelli (C), Roberta Barros Meira, Dione da Rocha Bandeira, Sandra Paschoal Leite de Camargo Guedes, Ilanil Coelho  
**Start:** 03/01/17  
**End:** 02/28/21

Applied Social Sciences

**DESUS** - Studies and actions oriented to Design, Sustainability and Social Innovation  
**Departments:** Professional Master in Design - MPD, Design, Photography and Gastronomy  
**Researchers:** Adriane Shibata Santos (C), Anna Luiza Moraes de Sá Cavalcanti, Marli Teresinha Everling, João Eduardo Chagas Sobral  
**Start:** 03/01/17  
**End:** 02/28/21

Applied Social Sciences

**RE-CRIAR** - The creative dimensions of Design for Sustainability  
**Departments:** Professional Master in Design - MPD and Design  
**Researchers:** Anna Luiza Moraes de Sá Cavalcanti (C), Marli Teresinha Everling, Adriane Shibata Santos, João Eduardo Chagas Sobral  
**Start:** 03/01/17  
**End:** 02/28/21

Biological Sciences

**MECPREVENT** - Study of the mechanisms involved in the Physiopathology of diseases and means of prevention  
**Departments:** Graduate Program in Health and Environment  
**Researchers:** Daniela Delwing de Lima  
**Start:** 03/01/17  
**End:** 02/28/21

Engineering

**CBMED** - Advances in the development of bacterial cellulose biomaterials associated with active principles aiming applications in the medical area  
**Departments:** Master in Process Engineering - MEP  
**Researchers:** Ana Paula Testa Pezzin (C), Andrea Lima dos Santos Schneider  
**Start:** 03/01/17  
**End:** 02/28/21

Health Sciences

**TRAPOTEC** - Development of health services and products: work, public policies and technologies  
**Departments:** Graduate Program in Health and Environment  
**Researchers:** Luciano Soares (C), Marenli Rocha Farias, Silvana Nair Leite  
**Start:** 03/01/17  
**End:** 02/28/21

Engineering

**POLIGI2** - Polymers application and innovation management: revisiting production and learning processes with a focus on sustainability  
**Departments:** Master in Process Engineering - MEP  
**Researchers:** Denise Abatti Kasper Silva (C), Andre Lourenço Nogueira, Sandra Aparecida Furlan, Bianca Ramos Pezzini  
**Start:** 03/01/17  
**End:** 02/28/21

Human Sciences

**ALETRAFOPR** - Literacy actions at work and teacher training in educational contexts  
**Departments:** Rosana Maria Cordeiro, Portuguese and Pedagogy  
**Researchers:** Rosana Maria Koerner  
**Start:** 03/01/17  
**End:** 02/28/21

Human Sciences

**PANAA** - Uncovered natural heritage: circulation of knowledge, nature and agriculture  
**Departments:** Master in Cultural Heritage and Society - MPCS  
**Researchers:** Roberta Barros Meira (C), Patricia de Oliveira Areas, Dione da Rocha Bandeira, Mariluci Neis Carelli  
**Start:** 03/01/17  
**End:** 02/28/21

Applied Social Sciences

**DSERV** - Services and customer relations design  
**Departments:** Professional Master in Design - MPD, Management, International Business, Advertising and Propaganda and Design  
**Researchers:** Victor Rafael Laurenciano Aguiar  
**Start:** 03/01/17  
**End:** 02/28/21

Health Sciences

**PERFQUALI2** - Health profile and relation with the quality of health care  
**Departments:** Graduate Program in Health and Environment  
**Researchers:** Selma Cristina Franco  
**Start:** 03/01/17  
**End:** 02/28/21

Health Sciences

**SMI** - Maternal and child health  
**Departments:** Graduate Program in Health and Environment  
**Researchers:** Jean Carl Silva  
**Start:** 03/01/17  
**End:** 02/28/21

Applied Social Sciences

**IRIS 2** - The image and the tools of concept and development of artifacts in the field of Design  
**Departments:** Professional Master in Design - MPD  
**Researchers:** João Eduardo Chagas Sobral (C), Anna Luiza Moraes de Sá Cavalcanti, Marli Teresinha Everling  
**Start:** 03/01/17  
**End:** 02/28/21

Human Sciences

**TRAPE I** - Work and teacher training, Special Education and schooling processes: challenges, perspectives and possibilities - I  
**Departments:** Master in Education  
**Researchers:** Acliene Fusca Machado Cordeiro (C)  
**Start:** 03/01/17  
**End:** 02/28/21

Human Sciences

**RPPEI I** - The Public and Private Relation and its repercussions in Early Childhood Education  
**Departments:** Master in Education  
**Researchers:** Rosania Campos  
**Start:** 03/01/17  
**End:** 02/28/21

Applied Social Sciences

**GBRANDA2** - Brand Management and Product Design Research  
**Departments:** Professional Master in Design - MPD  
**Researchers:** Elcio Ribeiro da Silva (C)  
**Start:** 03/01/17  
**End:** 02/28/21

Applied Social Sciences

**SIMBOL2** - Design and its frontiers in the social institution of symbolic culture  
**Departments:** Professional Master in Design - MPD  
**Researchers:** Elenir Carmen Morgenstern  
**Start:** 03/01/17  
**End:** 02/28/21

Applied Social Sciences

**PCIS** - Cultural heritage and innovation: challenges and opportunities for sustainability  
**Departments:** Master in Cultural Heritage and Society - MPCS, Law - SBS, Software Engineering, History, Gastronomy, Publicity and Advertising Architecture and Urbanism  
**Researchers:** Patricia de Oliveira Areas (C), Roberta Barros Meira, Mariluci Neis Carelli  
**Start:** 03/01/17  
**End:** 02/28/21

Human Sciences

**PRES** - Cultural heritage: between networks and plots  
**Departments:** Master in Cultural Heritage and Society - MPCS  
**Researchers:** Ilanil Coelho (C), Luana de Carvalho Silva Gusso, Mariluci Neis Carelli, Euler Renato Westphal, Raquel Alvarenga Sena Venera, Dione Rocha Bandeira  
**Start:** 03/01/17  
**End:** 02/28/20

Applied Social Sciences

**ETHOS** - Actions of Technical-Scientific Research Oriented for Design and Use Relations  
**Departments:** Professional Master in Design - MPD  
**Researchers:** Marli Teresinha Everling (C), João Eduardo Chagas Sobral, Anna Luiza Moraes de Sá Cavalcanti, Elenir Carmen Morgenstern, Adriane Shibata Santos  
**Start:** 03/01/17  
**End:** 02/28/21

Health Sciences

**FOPARA3** - Improvement and Evaluation of the efficiency and possible Environmental Impacts of the use of the non-toxic bio- insecticide for control Parasites of aquatic systems developed by Univille  
**Departments:** Graduate Program in Health and Environment  
**Researchers:** Gilmar Sidnei Erzinger (C), Donat Peter Hader, Andre Lorenço Nogueira  
**Start:** 03/01/17  
**End:** 02/28/21

Biological Sciences

**FLORESTA** - Traditional knowledge and memories about forest use in the production of Brazilian cultural heritage  
**Departments:** Master in Cultural Heritage and Society - MPCS  
**Researchers:** João Carlos Ferreira de Melo Júnio (C)  
**Start:** 03/01/17  
**End:** 02/28/21

Engineering

**VALORIZAR** - Valorization and minimization of agricultural and industrial waste  
**Departments:** Master in Process Engineering - MEP, Chemical Engineering, Environmental and Sanitary Engineering  
**Researchers:** Noeli Sellin (C), Ozair Souza  
**Start:** 03/01/17  
**End:** 02/28/21

Engineering

**RESCOGBI2** - Use of agricultural and/or industrial residues in the production of fungi, fungal metabolites and/or biocomposites  
**Departments:** Master in Process Engineering - MEP, Chemical Engineering, Environmental and Sanitary Engineering and Software Engineering  
**Researchers:** Elisabeth Wisbeck (C), Regina Maria Miranda Gern, Sandra Aparecida Furlan, Lorena Benathar Ballod Tavares, Ozair Souza and Andrea Lima dos Santos Schneider  
**Start:** 03/01/17  
**End:** 02/28/21

Human Sciences

**PCEBI4** - Conservative policies and their repercussions for basic education  
**Departments:** Master in Education  
**Researchers:** Iana Gomes de Lima  
**Start:** 03/01/17  
**End:** 02/28/21

Applied Social Sciences

**IN-SOCIAL@L** - Technology for Innovation and Business of Social Impact  
**Departments:** Professional Master in Design  
**Researchers:** Luiz Melo Romão  
**Start:** 03/01/17  
**End:** 02/28/21

External Demand

Human Sciences

**OSP** - Observatory of Public Security  
**Departments:** Physical Education  
**Researchers:** Marcos Antônio Lombardi  
**Start:** 06/01/17  
**End:** 05/31/19

External Financial Support

Biological Sciences

**LIQUEUNSACA** - Lichenized Micota of the State Park of Acaraí, Santa Catarina: diversity and ecology.  
**Departments:** Biological Sciences  
**Researchers:** Emerson Luiz Gumboski (C)  
**Start:** 04/01/17  
**End:** 03/31/19
